In recognition of

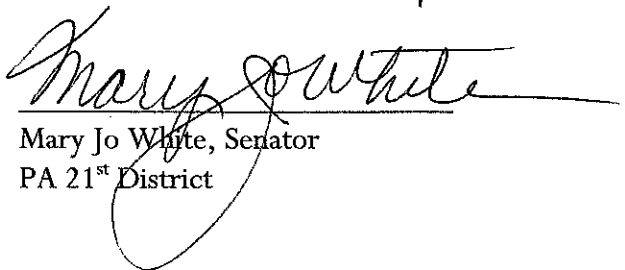

## Mid-Atlantic Youth Services/ Western PA Child Care

for the outstanding community partnership created with Emlenton Borough. Through the implementation of a community service partnership youth have been given the opportunity to “give back” to society—a concept that they have embraced wholeheartedly through more than 1,000 hours of community service.

This relationship has enhanced respect and trust throughout the entire community of Emlenton and more importantly has reinforced the confidence and respect of the facility residents. May we all remain so dedicated to accomplishing the goals of the preserving of our communities and encouraging the spirit of volunteerism.

Senator Mary Jo White does hereby recognize the hard-working youth and the community of Emlenton Borough for the great success of the program and congratulate them on being an asset to this great Commonwealth.
